

Currents Magazine Member Survey

Submit your survey by mail, email or online form

Mohave Electric is considering changing our Currents magazine and we want your input! Our current layout is a regional magazine with some information that may not directly impact you, our members. We would like to make it more beneficial for our local residents and business members. We would like to know what you are interested in seeing and what information you find valuable.

With that in mind, please consider completing the attached survey. Your answers will help direct our next steps in making your Currents magazine the best it can be. The deadline to be included in the survey is June 2.

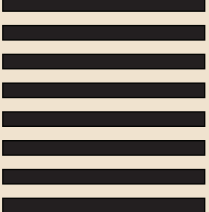

We appreciate your input!

Please return this survey by mail (postage is free), email to mecpa@mohaveelectric.com or scan the QR code to complete the survey online.
